

Exemption of Directive to Temporarily Close

Child care centers and group child care homes operating outside of a residence located in Montgomery, Bucks, Delaware and Chester County are directed to temporarily close unless an exemption due to extraordinary circumstances has been granted by the Department of Human Services.

Exemption to the Directive to Temporarily Close

In very narrow circumstances the Department will consider a waiver of the closure requirement. The waiver will be for childcare facilities co-located where essential services are located which predominantly serve those employees. A waiver may be granted when there is significant justification such as a childcare facility located in a hospital or long-term care facility where employees are mission essential employees.
