

Dear Personal Care Home and Assisted Living Providers:

**The Pennsylvania Department of Human Services' COVID-19 Educational Support and Clinical Coaching Program (ESCCP) includes clinical office hours with health system partners and educational webinars and online resources with the Jewish Healthcare Foundation.**

**You can register for the educational webinars on Tuesdays and Thursdays from 2:00 p.m. to 3:00 p.m. via the links below.** Each week will feature a new theme. The next webinar on Tuesday, April 28 will focus on Transfers to and from Personal Care Homes and Assisted Living Facilities.

**In regard to the online resources, through [Tomorrow's HealthCare™](#), you can:**

- Access past webinar recordings and presentations in the "[Learning Sessions](#)" section
- Access categorized guidelines, toolkits, and factsheets in the "[Resources](#)" section
- View and register for upcoming webinars in the "[Events](#)" section
- Ask general questions about COVID-19 education or request additional education resources in the "[Forum](#)" section

If you have not logged into Tomorrow's HealthCare™ yet, go to <https://www.tomorrowshealthcare.org/>, enter your email address as your username, and use "welcome" as your temporary password. If this log in method does not work, please email [papcal@tomorrowshealthcare.org](mailto:papcal@tomorrowshealthcare.org) to request a new log in, and include your name, title, organization, and contact information in that email.

The Jewish Healthcare Foundation will add you to their email distribution list for future notices about ESCCP's educational offerings once you access Tomorrow's HealthCare™ or the webinars. Or you can email Catherine Mutunga from the Jewish Healthcare Foundation at [mutunga@JHF.org](mailto:mutunga@JHF.org) to join this distribution list. Catherine sends weekly notices about ESCCP's educational offerings and resources.
